## Fireworks and Chinese orchestra for Chap Goh Mei

AN ACROBATIC high-pole lion dance show and performance by a five-piece Chinese orchestra are among events lined up by Seremban 2 developer IJM Land to mark Chap Goh Mei this year.

Adding to the merriment will be a 24 Seasons Drum performance by a secondary school team and a concert featuring a star-studded line-up of local artistes and celebrities.

IJM Land senior general manager (central region) Datuk Hoo Kim See said the event, to be held, at the

S2 City Park from 8pm onwards on March 3 would include a Chinese calligraphy competition.

The competition, to promote the dying art, will take place at the park.

"We at IJM Land have celebrated Chap Goh Mei for many years now together with our supportive residents and potential buyers and we hope to continue this tradition.

"Our annual Chap Goh Mei celebration has also continued to gain reputation for providing a day of festive fun, laughter, music, perfor-

mances and spectacular displays," he said.

He added that organising such events also provides a platform for people to come together and help foster unity.

"We want to assure our residents as well as potential buyers that IJM Land not only respects diversity, but we would also like to show that our customers are at the heart of everything we do," he said.

Hoo said bright and colourful decorations, a cherry blossom tree with colourful LED lights to a

brightly-lit Lover's Bridge would be put up at the park as this would make for spectacular photo opportunities.

"We will also have walkabouts by Fuk Lok Sau or the God of Wealth and balloon sculptures by clowns," he said, adding that there would be other fun-filled activities to mark the occasion.

Hoo said the first 800 visitors would also receive special gifts.

"We will end the programme with a spectacular fireworks display at 11pm," he said.
