## Riana Dutamas Highlights the Importance of Community with Open House

IJM Land Berhad and FCW Holdings Berhad recently held an Open House at the Riana Dutamas Sales Gallery at No 368, Jalan Segambut. Riana Dutamas is a joint venture between IJM Land and FCW Holdings and is designed to be a comprehensive lifestyle living for the community.

In addition to the various activities at the event, guests and visitors were also given the opportunity to visit the show units and learn about the freehold units from the first of Riana Dutamas' three phases, named Savio @ Riana Dutamas. One of the highlights at the fun and lively event was the lion dance performance by Award-Winning troupe Kun Seng Keng.

Savio @ Riana Dutamas offers a variety of floor plans, to suit the needs of multi-generations from young couples, families with children, to empty nesters. Within the development, residents can relax at the landscaped gardens and cabanas, swim in the infinity-edge pool or bring their children to have fun in the playground.

Fitness enthusiasts, meanwhile, can use the gymnasium, while the outdoor cook can invite friends and family to the BBQ Terrace for a meal. For peace of mind, the building utilises a multi-tier security system to keep residents safe.
